Package:	8-10 KG / (52X35X29CM)

Protective gloves Virtex™ 79-700.

- made of nitrile
- glove is designed specifically to offer outstanding comfort, flexibility and good chemical resistance
- used the unique new and patent pending Aquadri™ technology
- Ansell Moisture Management Technology™ - this technology gives excellent moisture absorption capabilities and keeps users hands drier for a longer period of time
- this technology has the lower tendency of pollinating (even by 50%) than gloves with traditional cotton pure flock
- used for: processing meat, fish, fruits, vegetables and for cleaning work
- allowed for contact with food
- meet requirements of the EN388 (resistance levels: 1 0 0 1 A), EN374-1 (J K T, B TYPE), EN374-5, EN421 and EN420 standards
